“Through ELBA's enthusiasm and excellent reach into London businesses, we have recruited two highly skilled trustees and also new volunteers. Having previously found that the hardest part of trustee recruitment is reaching interested candidates, ELBA's support really made the difference. We appreciated the clear timelines and guidance, and the event was a wonderful experience.” - *Anthony Harmer, CEO, ELATT*

“As a result of BoardMatch, we have two new trustees from the business sector who have provided really useful support and guidance to us as an organisation. It is a great format and produces results.” – *Sharon Long, Strategic Director, Partnership For Young London*

“BoardMatch is a brilliantly-conceived idea: What do you get if you put potential trustees and great charities in the same room? Sign up and see the magic unfold. Efficient and professional, from the offer of preparation for the pitches (tip - find time to do this - it really pays off!) through to the event and follow up.” – *Marnie Rose, Founder, The Garden Classroom*

“The BoardMatch programme is excellent. It enabled Discover to reach out to people we would not have met through our everyday business. As a direct result of the programme we now have two fabulous, very engaged, new board members.”
– *Karla Barnacle-Best, CEO, Discover Children's Story Centre*
